About United Way of Greater Union County

United Way of Greater Union County is a human services organization dedicated to improving the lives of residents in Union County. Our focus is education, income stability, health and family strengthening. We collaborate with local government, businesses, non-profits, faith-based organizations and volunteers to create lasting sustainable change in the community. United Way is a pre-eminent community based leader, partner and investment choice in these communities.

Thank you for supporting us in our mission of building Stronger Families and Stronger Communities.
