Community *Champions!* *Spring*

Now more than ever, we must help our children grow and develop the skills to succeed. Summer camps help achieve this mission, as it gives youth the opportunity to build confidence and unique interests. However, many families in our community cannot afford to give their children this opportunity.

2019

We at United Way of Greater Union County have partnered with five non-profit agencies that offer summer programs to those that need it most. We hope that you will join us and give children the building blocks for a healthy and productive life.

Best Wishes,
United Way of
Greater Union County

"In our constant mission to strengthen families, I ask for your support to help give Union County's children a summer camp experience. We hope to give all children the increased confidence and varied skill set that summer enrichment provides youth."
