

JOB POSTING
Nurse-Family Partnership Hudson/Union
2 Full-Time Positions

JOB TITLE: Nurse Home Visitor – Nurse-Family Partnership Program (NFP)

REPORTS TO: NFP Program Supervisor

CLASSIFICATION: Full-Time / Exempt

LOCATION: Jersey City, New Jersey

WORK HOURS: 37.5 hours/week

NURSE-FAMILY PARTNERSHIP is a maternal-child health program that introduces vulnerable first-time parents to caring maternal and child health nurses. This program allows nurses to deliver the support first-time moms need to have a healthy pregnancy, become knowledgeable and responsible parents, and provide their babies with the best possible start in life. The relationship between mother and nurse provides the foundation for strong families, and lives are forever changed – for the better.

PRIMARY FUNCTION: The Nurse-Family Partnership, Nurse Home Visitor is responsible for providing comprehensive nursing services to women and their families eligible for the NFP Program. Nurse home visitors are responsible for maintaining the highest standards in clinical nursing practice and adherence to the NFP model, and to policies, procedures, guidelines and standards of NFP and of the lead agency (The Partnership).

ESSENTIAL DUTIES:

- Performs home visiting in accordance with the NFP Model Elements and NFP Visit-to-Visit guidelines.
- Assesses physical, emotional, social and environmental needs of women and their families as they relate to the NFP domains.
- Carries a case load of up to 25 clients.
- Assists women and their families in establishing goals and outcomes.
- Provides education, support and referral resources in assisting women and their families in attaining their targeted goals.
- Consults and collaborates with other professionals involved in providing services to women and families.
- Evaluates client progress toward stated goals and NFP outcomes.
- Supports client recruitment efforts to ensure program meets level of service goals and individual case load goals.
- Attends and participates in bi-weekly case conferences and team meetings.
- Meets with supervisor weekly for clinical supervision.
- Provides information to support staff for timely and accurate data input to the NFP ETO system.
- Maintains confidentiality, and completes timely and appropriate documentation.
- Completes all required NFP education.
- Performs other duties as assigned.

MINIMUM EDUCATIONAL QUALIFICATIONS: BSN, current RN license in good standing, and current CPR certification required.

MINIMUM EXPERIENCE REQUIRED: Two years recent experience in maternal/child health, public health, home visiting or mental/behavioral nursing preferred. Home visiting experience preferred. Computer literacy required. Excellent written and verbal communication skills required. Valid driver's license and insured automobile required. Nursing liability insurance required. Ability to work flexible schedule, including some evenings and weekends, as well as ability to travel by air to Denver for face-to-face training required. *Proficient bilingual written and verbal skills (English/Spanish) required.*

TO APPLY: Please email resume, cover letter and salary requirements to Sarah Bilyj, Program Supervisor at sbilyj@partnershipmch.org. You can also call 201-876-8900, ext. 242 for more information.

*Full job description will be given and reviewed at interview.
